

## New York State Off-Highway Recreational Vehicle Association

PO Box 2  
Macedon, NY 14502  
[www.nysorva.org](http://www.nysorva.org)

This year NYSORVA will be raffling a **2010 650 MAX XT Can Am Outlander ATV!** Raffle to benefit NYS Trail Development! Drawing to be held October 3th, 2010 at the Big East Powersports Show, Syracuse, NY.

Once again, NYSORVA is offering participation in the Co-op program. This is open to all clubs, regardless of whether you're a member of NYSORVA or not. We at NYSORVA want to help by offering 50% of the ticket \$'s they sell to go directly to the club.

This helps both the Clubs and NYSORVA. We are not funded by the state and rely solely on our membership and donations. By working together with the clubs we can work towards getting trails on the ground and NYSORVA will be in Albany to help keep them there.

- We will again be offering an incentive for the club selling the most tickets (\$250.00). We will still offer the incentive to the member who sells the winning ticket (\$100.00) for the grand prize of the **2010 650 MAX XT Can Am Outlander ATV!**
- We have simplified the accounting paper work. You will only need to send your monthly ticket sales to one address.
- We have created a Program Agreement document which is signed by the participating club and NYSORVA. This document makes sure that the responsibilities of the club and NYSORVA to one another are fully communicated and understood.
- We have added a email address line to the ticket so we can notify everyone about important political news.

Please take a moment and review the raffle program guidelines. If you decide you would like to participate, please sign the enclosed agreement and mail back to NYSORVA Raffle Administrator. We will send out a raffle kit upon receipt to your club's designated Raffle Coordinator.

**Please help make it a successful year for  
NYS Trail Development and OHV recreation in  
New York State by participating in the  
2010 ATV Raffle Program!**

**can-am**
