Dear Mr. Ernst:

The Soggy Bottom Riders Club, Inc. started on April 7, 2002 and we have not had any claims up to date. We are hopeful that insurance will be available to our club as the sport of riding ATVs becomes more popular in our state.

Please feel free to contact the president of the club, James Robotham, at the above address for more information. Your support and consideration is appreciated.

Sincerely,

Subject: Accident claims.

To: NYS Insurance Division,

The Tri Town ATV Trailriders, Inc. was formed in 1996. We had liability insurance until the last couple of years to cover our trail system, especially in the Brasher State forest. We have never had to use or file a claim against our insurance policy for a accident or death. If you need more information, you can contact Tri Town ATV Trailriders, Inc. PO Box 76, North Lawrence, New York 12967.

Thank you.
Warren Irwin, Sec/Trea. of club.

RE: Club insurance claims

TO WHOM IT MAY CONCERN:

We, the Tug Hill Wheelers ATV Club, have been in existence since 1984. We have had many different insurance companies and many events and have **never** had any claims brought against us.

We have an insurance policy in place for this season and see no changes for the next season.

We, actively work with the Towns and the County legislature to promote safe, responsible riding in Lewis and Jefferson counties.

We are also very actively educating the visitors and residents to the ATV rules and regulations. We also promote economic development for our sport in NYS.

If you require any other information please feel free to contact us at the above address or one of the e-mail addresses on our website.
